Practice Limited to Periodontics

## Financial Arrangements and Dental Insurance

We are committed to providing you with the best possible care. If you have dental or medical insurance, we would be pleased to assist you in receiving your maximum allowable benefits. To achieve these goals, we need your assistance and understanding of your financial arrangement with our office.

Payment for service is due the time services are rendered unless arrangements have been approved in advance. We will be pleased to assist you in processing your insurance claim.

Our staff will gladly discuss your proposed treatment and answer any questions relating to your insurance. You must realize however:

- 1. Your insurance is a contract between you, your employer and your insurance company.**
- 2. Your insurance company has selected the level of insurance coverage. Not all services are a covered benefit in all contracts. Some insurance companies select certain services they will not cover. However, a portion of periodontal fees are generally paid. This can be verified with your insurance company.**

It is important to emphasize, as a dental care provider, our relationship is with you and not your insurance company. While filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date of services rendered.

For your convenience, you may pay cash, check, Visa, MasterCard, Discover, American Express, or Care Credit.

If you have any questions about the above information or any uncertainty regarding insurance coverage, please don't hesitate to ask. We are here to assist you.
